

## NEWS AND VIEWS . . .

### And What Have You

By BOB CRAIG

We were real happy to receive word this week that work on the re-construction of Winn's Store was to get underway right away. While we have felt sure all along that they would build back, it was good news to hear it from Roy D. Spears, president of Winn's.

We are also quite pleased to learn that our friend Charles Reed will be back as manager. He is a good citizen of Hamlin, being not only a good business man but also a member of the Volunteer Fire Department and the Lions Club as well as a member of the Church of Christ.

You don't know how much you miss something until it is not around, but everyone seems to be finding out how much they miss a variety store when it is gone. With the tremendous stock they carry there are just worlds of things that you just cannot find any place else.

At the same time we are glad to see C. L. Howard coming back with a bigger, and better store following his fire damage. It is people like this that keeps a town growing.

While nothing firm has come up yet on the other two buildings, we have been assured that something will be done to replace the buildings.

There is no denying that the whole town suffered a great loss because of the fire, through losses to the individuals involved, loss of jobs, insurance rates and many other losses. But we have faith in our city and expect it to follow the lead of Mr. Spears who says Winn's is coming back bigger and better.

Postmaster Perry Sparks brought us up to date on some of the history of the postal service and says that the six cent stamp is still one of the best bargains in the world.

Even though the five-cent letter rate has suffered the same fate as the nickel cigar, first-class postage is cheaper today than it was in many bygone eras when a few pennies meant much more than they do today, Postmaster Sparks said.

In 1916, for instance, a single sheet letter cost six cents for delivery up to 30 miles. More sheets and more miles cost more money. A letter going 400 miles cost 25 cents per sheet.

In those days the recipient had to pay the postage, not the sender. And if the letter was actually delivered to the recipient, rather than picked up at the Post Office, there was an extra charge that was kept by the carrier.

It wasn't until 1885 that the sender was required to pay in advance for mail, Postmaster Sparks said.

Uniform rates regardless of distance and free city delivery were written into the postal law books in 1863. When distance was dropped as a factor in computing rates, so was the practice of charging per sheet. The basic unit for letter postage became a half ounce in 1863. The basic unit of one ounce that still prevails today went into effect in 1885.

Turning to more recent history, Postmaster Sparks pointed out that the 100 per cent increase — from 3 to 6 cents — in first-class rates since 1932 compares very favorably with general increases in prices and wages.

"Actually," he said, "with the six-cent stamp we are returning to the postal rate charged when New York was called New Amsterdam and was a Dutch colony. Then the postage rate there was three stivers of wampum — the equivalent of about 6 cents."

We tend to get a little confused when we try to understand our government — they want to raise taxes to cut down on spending by the people but at the same time they raise social security and raise the minimum wage by over 14 percent. Because of pyramiding wage scales the increase to \$1.60 an hour effective Feb. 1 will drive all wages even higher which in turn will probably mean that the tax increase will have to be even higher to cut down the spending.

From a businessman's stand-point we fail to see much need for another tax increase after we pick up the tab for higher postage rates, higher wages, higher social security taxes and higher payroll taxes.

## Lions Club To Sponsor MOD Drive

The Hamlin Lions Club will be in charge of the local March of Dimes Drive, according to Bill Davis, president. Lester Minton is chairman of the drive.

During the Telerama to be staged Saturday night by KRBC-TV, the telephone number to call in Hamlin is SP4-1246. Arrangements will be made for the donations to be picked up.

Residents are reminded that of the money given in Hamlin a portion remains in Jones County to aid those with birth defects. Also, in December \$500 was sent to West Texas Rehabilitation Center from the Jones County Chapter of the National Foundation.

J. O. Murphree, a Lions club member, was appointed to supervise the Street Blockade to be carried out by the Boy Scouts. A Saturday morning will be set for this portion of the Drive.

The Mother's March will be held here Tuesday evening, Jan. 23, and will coincide with the schedule set up in Stamford and Anson. The Jayceettes and Beta Theta and Xi Gamma Pi chapters of Beta Sigma Phi will be working on the march.

## Boy Scouts Plan Parents Night

Parents night has been scheduled Monday night by members of Boy Scout Troop 43. A demonstration of how to prepare for a campout will be given.

The meeting will be held at 7 p.m. in the Scout Hut and all parents are invited to attend.

Mrs. E. N. Jenkins entered Scott White Hospital in Temple Sunday for tests and treatment. According to her husband who is with her, the tests have been completed and she is feeling better. She is in room 775.

## Hamlin, Anson, Stamford Police Depts. Organize Training School

A police academy for policemen in Hamlin, Anson and Stamford has been established according to police chiefs in the three towns, B. Q. Cooper, Woodrow Simmons, and Bryan Wasson.

The Jones County Police Academy will train police officers in the three towns to meet minimum standards set by the Texas Commission on Law Enforcement Officer Standards and Education. Minimum training standards set by the Commission include 140 class room hours of instruction.

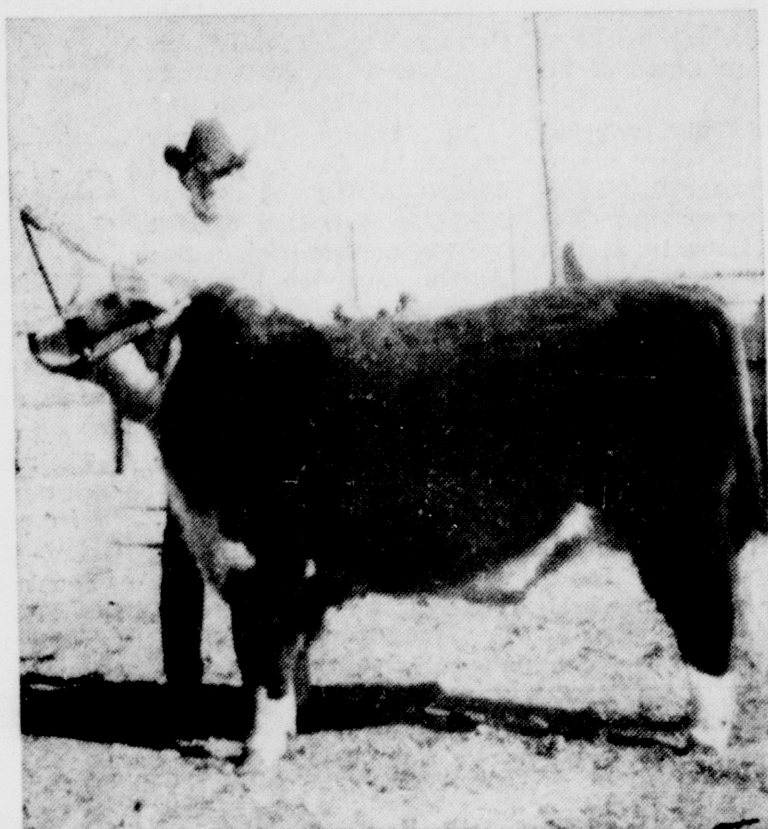

The Texas Commission was created by the last legislature

upon recommendations of the President's Crime Commission.

Classes will alternate between the three towns with the first of the sessions tentatively set for early February.

Instructors will be FBI agents, officers of the Texas Department of Public Safety and other law enforcement officials.

Chief Wasson said the training provided by this Academy will enable the officers of Anson, Stamford and Hamlin to provide better law enforcement service to their respective towns.

## TRAINING COURSE UNDERWAY —

## Henry Albritton To Head BCD

Henry Albritton was elected president of the Hamlin Board of Community Development at the Tuesday morning meeting of the board of directors.

Others to serve during 1968 are Luther Haight, first vice president; Guy Weaver, second vice president; and Ray Sonnenburg, treasurer.

Marvin Carlton presided. Plans for the annual banquet to be held Friday Feb. 16, at the high school gymnasium were discussed. Coach Merrill Green will be the speaker.

George Campbell and Bill Harbert are now serving with Milburn Wink, general chairman, in working out details for the program. B. V. Newberry is the food committee chairman.

Tickets were given to the directors and are now being

sold to the public. Tickets are \$2.50 per plate.

Announcement was made of the Local Industrial Team Training Course now being conducted by Lone Star Gas Company in Stamford, Anson, Haskell, and Hamlin.

The first meeting was held in Stamford Monday evening. The second of the four class room type meetings will be held Jan. 22 in the bank building in Haskell. The third session will be held in Hamlin Jan. 29 at Lee's Cafe. The fourth session will be announced to be held in Anson. The sessions are from 7:30 to 9:30 p.m.

The fifth week a simulated industrial prospect will be brought to each town and the sixth week a critique of the visit will be given. The course will be concluded Feb. 5.

B. R. "Bush" Hatley, manager of Community Development Service for Lone Star Gas company is the instructor.

The basic concept of the school is to give specific information to industrial developers which would be used when an industrial prospect comes to town. The course reveals tried and proven methods.

The program is designed for existing industrial contact committees or new groups and anyone with a vital interest in industrial development should attend.

Applications for attendance of the school can be obtained at the BCD office. Books distributed at the initial meeting may be secured at the BCD office.

## Winn's Announce Plans to Rebuild

Roy D. Spears, president of Winn's Stores, Inc., announced this week that the Winn's Store here that was destroyed in the Dec. 23 fire will be rebuilt in its former location. Mr. Spears made the announcement in an advertisement in this issue of the Herald.

Mr. Spears said that the store would be built back in the same location and would be bigger and better with completion expected around the latter part of April.

In the advertisement he said, "The tragic fire that suddenly came on Christmas Eve destroyed the Winn's building, but it did not destroy the Winn's spirit. The same

manager will be back — Mr. Charles Reed. The same personnel will return. Only the building will be different, brand new, bigger and better."

Mr. Spears thanked the citizens of Hamlin for their patience during the few months it will take to open the new Winn's and asked them to watch the reconstruction and wait for the grandest re-opening of them all.

Work is currently underway on the remodeling of Howard Drug Co. which was heavily damaged in the Dec. fire with the store expected to be back in full operation

in about two weeks. C. L. Howard, owner, said that he should be ready to start restocking the store with all new merchandise a week from Monday.

Included in the remodeling is a new concrete floor with carpet, a new ceiling, repainting of the interior and fixtures, a new fountain, a new double side door and a new sidewalk along the north side of the store with slant-in-parking.

At the present time Mr. Howard is taking care of prescription drug needs through the front door while the back of the store is being re-done.

## Hamlin Bands To Sponsor Texas Tech Stage Band

The Texas Tech University Stage Band will be in Hamlin Thursday, Feb. 1, to play an evening concert at 8:15 in the high school auditorium.

The Hamlin Piper Band is sponsoring the Texas Tech group, which is on tour, and the proceeds from the concert will be used toward the purchase of a new instrument for band use.

Tickets are now being sold by all band members. Cost of admission is 75c.

The stage band has two girls among its 22 members. Hamlin band members will keep the college personnel in their homes overnight Thursday.

Tim Jones, local band director, said Hamlin is the last stop on the Tech band tour, and we are hoping for a full turnout.

## Jones County Livestock Show Set Saturday

The annual Jones County Livestock Show will be held this Saturday at the County Show Barn in Anson. Charles Stenholm, head of the Agriculture Division of the Stamford Chamber of Commerce is General Chairman.

Judging will get underway promptly at 9:00 a.m. Saturday. Over 300 exhibitors from Jones County FFA and 4-H clubs are expected to participate.

## Singing Sunday

The Third Sunday Singing will be held at 2 p.m. at Foursquare Gospel Church. Everyone is invited.

## Hamlin Teams to Host Anson Here Friday Night

After two district games the Pipers are tied with Colorado City for their 5-AAA lead with two games each and the Pipers are tied with Anson for the girls' lead with one win each. Both girls teams have played only one game. The Hamlin B Team is tied with the Anson B Team with two wins each.

Friday night the Hamlin teams host the teams from Anson for three games with the first starting at 5 o'clock between the B Teams, the girls will play at 6:30 and the varsity boys will start at 8.

Tuesday night the local roundballers will again be at home as they host Winters here at 5, 6:30 and 8. This will complete the first round of action for the girls teams, with the boys having one more game left in the first half, with Colorado City.

Last Friday, playing on their home court, the Pipers rolled over Stamford to the tune of 104-72 with the B Team winning by 83-63. Milton Davis was high for the Pipers with 25, followed by Terry Holt and Milbourne Newland with

14 each and Van Covington with 10. In the B Team action Robert Bolden sank 19 points.

David Bonds, a graduate of Hamlin High School and McMurry College, will join the faculty of Ballinger High School with the beginning of the spring semester. Bonds, son of Mr. and Mrs. L. C. Bonds, spent two seasons with the Kansas City Chiefs professional football team.

He will teach American history, coach B-Team basketball and assist with track this spring.

He is married to the former Gena Cox of Brownfield, the daughter of a former Ballinger Coach, Doug and Mrs. Cox. The couple has one son.

### School Census Still Underway

Another plea from the school administration has gone out this week for the names of children who should be included in the annual school census.

The names of children who will be six years of age on or before Sept. 1, 1968, should be turned in to Superintendent C. F. Cook's office, or to any of the principals of the schools.

Mrs. Fred Smith, principal of the primary school says it is very necessary that information concerning future first graders be secured at this time.

### Attend Services

Mr. and Mrs. R. L. Woodruff were called out of town twice recently following the death of his mother in California and her sister in Okla.

Mrs. Willie Woodruff, 72, died Jan. 1 in Bell Garden, Calif., following a heart attack. Services were held there Jan. 4.

## HHS Students Finish Semester

by Tommy Oliver  
Beth Craig  
Janet Carson

Sighs of relief and tears of grief were the predominant feelings of high school students following mid-term tests last Thursday and Friday. Students were allowed from one hour to an hour-and-a-half to complete each test. With the closing of school last Monday only two days were left to review for the tests. However, everyone seemed to be satisfied with those two days. For the civics students it was the end of a semester of a great class under Mrs. Brown, and for the freshmen it was the end of the first of eight semesters of work.

Mid-term also brought a pinch on the old pocket book for many students. It seems that many students prefer to charge their lunch tickets and office supplies and pay for them at a later date. Well, mid-term is the latest "later date," so the day of "reconciling" descended with a boom on those unfortunate enough to have had to pay all their charges at one time. Students are not allowed to take their mid-term tests unless they have met all the obligations to the school.

The Hamlin Pied Pipers really started their district basketball season off with a bang Friday night when they soundly trounced Stamford 104 to 72. Although there was a light turnout by the Hamlin fans, the zeal and encouragement displayed by those that did attend were more than enough compensation. The Hamlin girls beat Jayton 65 to 54.

## BIGGER and BETTER!... THE NEW Winn's Variety Store

Winn's Variety Store will continue to serve its good customers in Hamlin. Winn's is now being re-built on its same location, 320 South Central Avenue. At its completion, around the latter part of April, the familiar faces and pleasant personalities will once again be a part of Winn's to serve its customers. The tragic fire that suddenly came on Christmas Eve destroyed the Winn's building, but it did not destroy the Winn's spirit. The same manager will be back — Mr. Charles Reed. The same personnel will return. Only the building will be different — brand new, bigger and better. Re-construction is now in progress.

Roy D. Spears, president of Winn's Stores, Inc., reassures the people of Hamlin that the new Winn's will offer the complete line of quality merchandise for which Winn's Variety Stores are famous throughout Texas. Mr. Spears thanks the citizens of Hamlin for their patience during the few months it will take to open the new Winn's. Watch the reconstruction and wait for the grandest re-opening of them all!

## Sylvester News...

By Mrs. R. M. Babb  
What a lovely Monday morning. It has been cool for the past two or three mornings but was very nice during the day. It makes people that feel grouchy feel better and that is what I am doing slowly but surely. I understand that Mr. and Mrs. Charles Scott were ill over the weekend.

Mr. and Mrs. Woodford Lawlis have bought the Gray home and are having some work done before they move into it again. We are so pleased to have them move into town.

Trinidad Garcia bought the old Nelson home from Sol Mauldin and moved in over the weekend.

Mr. Chunky Brown is doing real well since his stay in the Hospital in Hamlin. I don't know which ones, but two or three of their daughters and families visited in their home on Sunday.

Mr. Lea Dickerson spent several days in Hamlin Hospital this past week. I guess he was fortunate to even get a room; seems that rooms were hard to get in any hospital.

Mrs. Dan Kidd is still in Hamlin Hospital, Room 8. I am sure she would love a note or card.

Mr. and Mrs. W. B. Brown spent Sunday afternoon in the Prather home in Sweetwater.

Mrs. A. J. Hill has been real sick with the "flu."

Mrs. Kenneth Leverett returned to Ft. Worth with her husband on Monday so they could attend the Evangelism Conference in Dallas the first three days of the week.

Our sympathy to Mrs. Lee Sanders in the death of her son-in-law, Mr. Cozby of Hamlin last week.

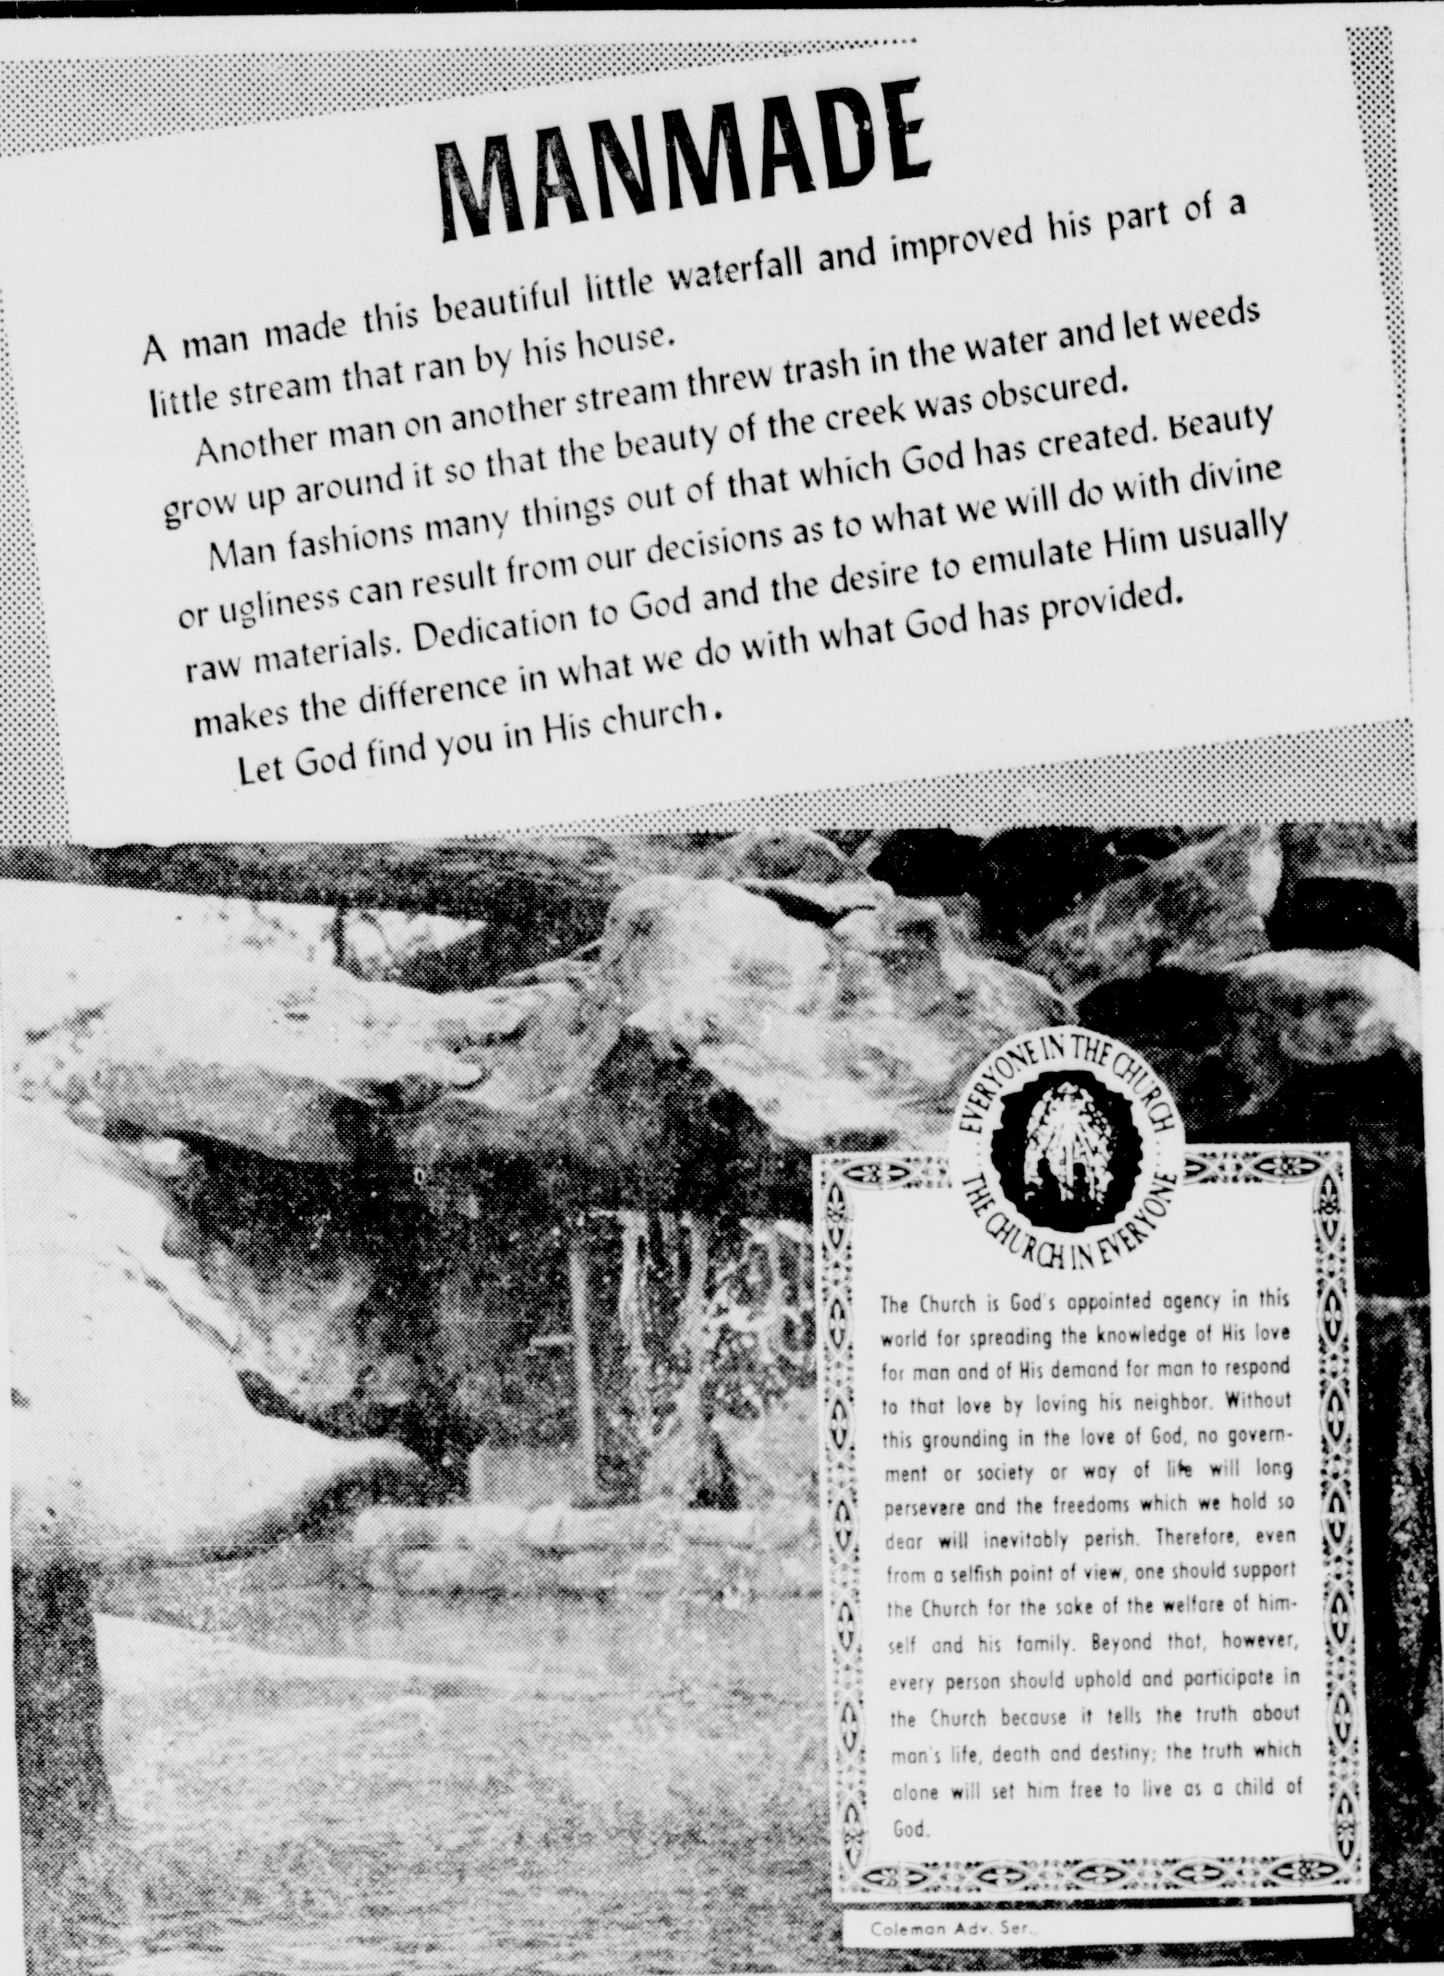

Have you registered yet so you can vote in all the elections that will be coming up this year? Please do so and remember you have only until Jan. 31.

## TAX GUIDES

The 1968 Farmers Income Tax Guides are now available at the County Agent's office, according to County Agent Kirby Clayton. The guides may be picked up at the Agent's office upon request.

# MANMADE

A man made this beautiful little waterfall and improved his part of a little stream that ran by his house.  
Another man on another stream threw trash in the water and let weeds grow up around it so that the beauty of the creek was obscured.  
Man fashions many things out of that which God has created. Beauty or ugliness can result from our decisions as to what we will do with divine raw materials. Dedication to God and the desire to emulate Him usually makes the difference in what we do with what God has provided.  
Let God find you in His church.

EVERYONE IN THE CHURCH  
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

**HAS CHAMPION FAT BARROW** — Gil Lain, FFA member and junior at Hamlin High School, exhibits the champion fat barrow here Saturday. The Duroc is from his own herd.

**CHAMPION RABBIT** — Bobby Thompson, a junior FFA member, won champion honors with his doe in the rabbit division. Leroy Kirby of Cisco is the breeder.

**CHAMPION EXHIBIT** — Hollis Stephens is shown with the broilers that earned champion honors in the Community Livestock Show. He is a junior member of FFA. The chickens came from Stillwater Hatchery in Stillwater, Okla. He also received reserve champion in this division.

## Bob Clifton Takes Top Honors In JC Sponsored Livestock Show Here

The Hamlin Community Livestock Show held here Saturday had a lot of things in its favor. The weather was ideal for the show and the Jaycee Community Building was a nice location for the annual event sponsored by the Hamlin Jaycees.

The Jaycees assisted the Jaycees with concessions. Top honors went to Bob Clifton, 18 son of Mr. and Mrs. Floyd Clifton, who had the grand and reserve champion steers and the grand champion heifer. Leldon Clifton Jr., 15, son of Mr. and Mrs. Leldon Clifton, had the reserve champion heifer.

Gil Lain, 17, son of Mr. and Mrs. H. D. Lain had the grand champion barrow. Randy George, son of Mr. and Mrs. Callens George earned the reserve ribbon.

Bill Hodnett had grand champion and reserve champion in the female breeding swine division. He is the 15-year-old son of Mr. and Mrs. Wayne Hodnett.

Bobby Thompson, 16, son of Mr. and Mrs. Bill Thompson, had the grand champion of the rabbit show while Daily Ponder, 14, took the reserve championship.

Poultry grand and reserve champion ribbons went to Hollis Stephens, 16, son of Mr. and Mrs. H. D. Stephens.

All of these boys are members of the Hamlin FFA Chapter. The show included all Hamlin school students who are members of FFA or 4-H Club. All exhibitors received prize money.

Kirby Clayton of Anson judged the cattle, rabbits and poultry. Mack Heald, Anson, judged the barrows and J. C. Heald, Anson, judged the fe-

male breeding swine. Milburn Wink and T. C. Blankinship, vocational agriculture teachers, were superintendents of the show.

## Former Teacher Dies In Amarillo Nursing Home

Mrs. W. E. Routh, 71, a former Hamlin High School teacher, died in an Amarillo nursing home Saturday morning after a short illness. She had been living in Amarillo for some time.

Services were held at 2 p.m. Monday in the Blackburn-Shaw Funeral Home Chapel

in Amarillo. Burial was in Panhandle.

She was the former Marie Cain of Throckmorton, and the widow of W. E. Routh, a retired teacher and coach at Hamlin and a retired postal employee. He died in 1958.

Attending the services from Hamlin was Mrs. Tom Routh, a sister-in-law. She accompanied another sister-in-law, Mrs. Carol Holden and her son, Jack Holden, both of Abilene.

## 4A Class Served Libyan Tea Friday

Mrs. Eugene Gibson, David Gibson, and Danny Brown were hostess and hosts to Room 4A Friday for a Libyan Tea.

Hot spiced tea was served to each guest from a brass tea tray while guest shed shoes and sat on a rug. Mrs. Gibson welcomed each in Arabic and served roasted nuts and candy along with the tea.

David and Danny wore embroidered vests and the fez

of the native Libyans. Mrs. Gibson modeled some jewelry while telling the guests about life in North Africa. She described the homes in detail, the three classes of natives, and their way of life.

Student in 4A have been visiting Africa on their world tour in geography, led by Mrs. Gene Prewitt, teacher.

All agreed this was a very nice visit.
